

ALPHONSE ISLAND

Tribe Packages

CONNECT,
EXPLORE &
DISCOVER

At Alphonse Island we take care of the whole Family...

*Watch your Tribe have fun, explore and make new discoveries
as they embark on a new extraordinary adventure every day!*

Alphonse is a haven for children of all ages where they are able to explore every inch of this magnificent island on foot, bike or boat, be it alone or on guided activities...

The island has no dangerous animals and is completely safe for your Tribe to explore on land and at sea. Our range of interactive fun programmes will teach your Tribe about our eco-systems, ocean debris, conservation and how we go about preserving our atolls for future generations to enjoy.

We have endless activities for the whole family and know the importance of keeping the Tribe busy and entertained. Our Tribe packages have been designed to allow parents time alone to relax and connect with each as well as together with the family making the most of their memorable island holiday.

HIGHLIGHTS

- Safe and secure environment.
- Exceptional team, child-friendly excursions and tailored experiences.
- Fun and educational activities for children in a stimulating environment.
